Accessing Student Office 365 and SD33 Student Email

"Office 365" includes access to Office applications plus other productivity services that are enabled over the Internet (cloud services). Student access includes services such as Skype, Exchange, and additional online storage with OneDrive for Business.

Our districts Office 365 plan includes the desktop version of the latest Office applications. The fully installed applications include: Word, Excel, PowerPoint, OneNote, Outlook, Publisher, and Access. (Publisher and Access are available on PC only.) Students can install these applications across multiple devices, including PCs, Macs, Android tablets, Android phones, iPad, and iPhone.

Students can access these webapps with their existing SD33 login credentials and can download the latest version of Microsoft Office 2016 for home use at no cost!

- 1) Access Office 365 here: <https://login.microsoftonline.com/>
- 2) Login with existing SD33 credentials.

The screenshot shows the Office 365 dashboard. At the top left, it says "Office 365" and "Chilliwack School District". The main header area is orange and says "Good morning," with a search bar for "Search online documents". In the top right corner, there is a button labeled "Install Office 2016" which is circled in blue. Below this, there is a section titled "Use the online apps" with a grid of application tiles: OneNote, Mail, Calendar, Word, PowerPoint, Excel, OneDrive, Planner, People, and Tasks. The "Mail" tile is circled in red. Below the grid, there is a section for "Your recent online documents" with a "New" button. A blue arrow points from the "Install Office 2016" button to a blue-bordered box containing the text "Download Microsoft Office". A red arrow points from the "Mail" tile to a red-bordered box containing the text "Access Student Email". At the bottom of the dashboard, there is a "Feedback" button.
