## REPORT:

Secondary Working Committee Meeting – February 15, 2018

### 1. Athletics Update

- Looked at the Abbotsford model. Different because first had grade 8-12 at high schools.
- Will wait until the Reconfiguration staffing process is completed and look at where additional resources are required.

### 2. Facilities Update

- SSS is asking for 6 portables. Cover tennis courts with a bubble? City not interested. Put mezzanine above PE? Facilities Department does not have the capacity at this time. Next steps will be getting the portables in place.
- GWG asking for 5 portables and will possibly add a shop space.
- CSS moving east on the 2<sup>nd</sup> floor. Need walls and doors, etc. Talk of a foods lab also going in.
- Realign FVDES space – to the 1<sup>st</sup> floor.

### 3. Resources Update

- All three gave requests and the district is considering them. From learning resources, sports equipment, shop equipment, etc.
- Will be communicated via school budgets in the near future.

### 4. Future Meetings

- April 8<sup>th</sup> – no meeting unless needed.
- Many milestones have been achieved and thanks to staff for being persistent. Thanks to Committee members and the staff in their schools, as well as CTA and CUPE.
- Still a lot to be done at the school level – families, staff, etc.
