

**BOARD OF EDUCATION
School District #33 (Chilliwack)**

**904
POLICY
School Parent Advisory Councils**

The Board believes that parents/guardians are partners in the educational system and their involvement and consultation are integral. The Board of Education values Parent Advisory Councils and their positive contribution to education in the school district.

Each school shall encourage parents/guardians to form a duly constituted Parent Advisory Council. A Parent Advisory Council may, through its elected officers, advise the board, the principal and staff of a school respecting any matter relating to the school.
