

**BOARD OF EDUCATION  
School District #33 (Chilliwack)**

---

**629  
POLICY  
Career Programs**

---

The Board of Education recognizes that career programs support students in becoming successful, educated and global citizens by providing them with opportunities to explore a variety of careers and options for their future. Career programs allow for additional connections between classroom learning, workplace and post-secondary realities, and are intended to make student learning more meaningful and relevant.

The Board supports career programs that integrate classroom learning with practical experiences in the workplace, including but not limited to Work Experience 12, Youth Work in Trades, Youth Train in Trades, Regional Career Programs and Dual credit, as well as related Board Authority/Authorized Courses.
