service following the order of the boxes numbered 1 to 8, in the column in

which is recorded the number of the server which correspond to the 4 lines

The first service is indicated by ticking (🗸) off the number of the box

number marked in the "POINTS" column is recorded under the box whose ticked off ( ) number (in this case 1) corresponds to the R-5 LINE-UP SHEET LIBERO player who had the service.

## 3.4 Example of recording of points and control of service in a set:

a) The team "A" wins the right to serve first and No. 8 who was recorded in position I serves first. Team "A" wins the rally and also a point, the scorer slashes off (/) the 1 of the "POINTS" column. The following rally is also won by team "A", the scorer slashes off (/) the 2 of the column, etc.

After winning 4 consecutive points, Team "A" loses the service. The scorer writes the number 4 in the box 1 of the column I of player No 8 of Team "A". Thus we know that this team won 4 points when player No. 8 had the service.

The scorer then passes to the section corresponding to the team "B" After winning the rally and the right to serve, the team "B" gains one point and the point 1 of the "POINTS" column of that team is to

be slashed off (/). Next, the scorer cancels with an X the box 1 of

column I, since this team must now rotate for its first service to be

made by the following player. The scorer then ticks off (🗸) No. 1 of

the box corresponding to column II. This shows that player No. 1 of

the team "B" serves first (cf. 3.3.b). Team "B" wins the next rally

and gains a point. The 2 of the "POINTS" column of that team is

The team "B" loses the next rally and thus loses the service. The

scorer writes the number 2 in the box of player No. 1 of the team

"B", which had the service. This indicates that the team "B" has

change is recorded in the box entitled "POINTS AT CHANGE" on
the top line of the same third section. Any points scored after the
change must be marked in the column "POINTS" on the far right

- e) When there is a change of service, the team which obtains the right to serve marks a point: the scorer slashes out (/) the next point in the column headed "POINTS" and ticks (✔ the number of the small box in column II (cf: 3.4.c).
- If there is a tie 14:14, the set continues until a team obtains a two points lead on the other

#### 3.6 SUBSTITUTIONS:

The procedure for recording the substitution of a player who begins a set is the following:

- The number of the substituting player must be put in the box below the number of the player leaving the court.
- In the same column, in the upper box of the "SUBSTITUTES SCORE", the scores of both teams up to that moment must be recorded (the score of the substituting team on the left, the other on the right).
  - When the substituting player is, in turn, replaced:
- The scorer ensures that the number of the player replacing him/her is identical to that recorded above the number of the player leaving the court. The latter's number is circled to show that he/she may not legally reenter the court in the same set.
- The number of points scored by the teams up to that moment must be recorded in the lower box of the line "SUBSTITUTES SCORE".
- Example: Player No. 5 of the team "B" replaced No. 6 when the score was 3:7 and No. 6 returned to his place when the score was 7:9. The first digit of the score is always the number of points scored up to that moment by the team that makes the substitution.
- Exceptional substitutions for an injured player or replacement of an injured Libero Player must be recorded in the "REMARKS" section. The scorer must indicate the set, the team's name, number and name of the injured player or libero and that of the new player or Libero and the score at change.

#### 3.7 TIME-OUTS:

Below the "POINTS" column of each team, are two boxes headed with a "T": a) When a team obtains its first time-out, the scorer records. in the

- upper box, the points scored by both teams up to that moment. When the same team obtains its second time-out, the scorer records.
- in the lower box, the points scored by the teams up to that point. The first digit of the score is always the number of points scored up to that moment by the team that requested the time-out.
- **Example**: The team "B" requested its first time-out when the score was 7:12 and its second time-out was taken when the score was
