## BOARD OF EDUCATION

### DECISION REPORT

**DATE:** November 3, 2020  
**TO:** Board of Education  
**FROM:** David Swankey, Board Vice Chair  
**RE:** **TRUSTEE REPORT POLICY**

---

#### **RECOMMENDATION:**

THAT the Board of Education outline the parameters for trustee reports in a new policy as part of the Board's policy manual review. An initial draft of the policy will consider:

- A reasonable limit on time
- Notices of Motion
- Reporting on issues in public education
- Reporting on issues in the Chilliwack Community
- Reporting on the assigned duties performed by the Trustee
- Consistency with the renewed Code of Conduct

#### **BACKGROUND:**

The Chilliwack Board of Education is currently undergoing a comprehensive policy review. The work will result in a fully updated policy manual, supported by renewed administrative regulations. This work is already resulting in new policy being discussed that will eventually come to a public meeting for consideration and possible adoption.

The maintenance of order in all meetings of the Board is integral to its sound function; clear policy assists both the chair and all members present in maintaining good order. As we have seen in previous meetings, it is very difficult for the chair to infringe on the speaking rights of an individual member, unless it is very clearly a violation of board policy or the rules of order.

#### **RATIONAL:**

Including new parameters on Trustee Reports will assist in the order and decorum at future meetings of the board, providing clarity both for members addressing the board with a report, and for the chair presiding over the meeting. Now is the time to consider such an addition, with any resulting policy being included in the renewed manual.

## **SEPTEMBER 30, 2020 QUARTERLY FINANCIAL REPORT**

As per our Budget Monitoring and Reporting Policy and Regulations, “Significant variances between the trended budget and actuals, including all significant revenues and expenses, will be clarified.”

This report is based on our Preliminary Budget which creates some significant variances due to financial changes that have occurred since it was prepared. Future Quarterly Reports will be based on the Amended Budget and will be more in line with current realities.

The year to date budget has been trended to correspond with how we anticipate costs and revenues to be incurred.

### **REVENUES:**

**Provincial Grants, Ministry of Education** – This variance is due to the funding for the collective agreement increase for Teachers that was not included in our Preliminary Budget.

**LEA Funding From First Nations** – The number of students has increased since the Preliminary Budget was developed.

**Provincial Grants, Other** – The variance is in Industry Training Authority grants for students enrolled in Trades Programs, and is due to timing.

**International Students** – The Preliminary Budget did not take into account the impact of COVID-19 on International Students.

**Rental & Leases** – In response to COVID-19, the Preliminary Budget was reduced by \$100,000 versus last year. However, at this point, we have not opened up any rentals in our schools.

**Investment Income** – At the beginning of the year, our cash available for investment was lower than anticipated. Also, the pandemic has reduced the interest rate we earn on invested cash to half of what it was at the beginning of March. We estimate we will be under budget approximately \$70,000 by the end of the year.

### WAGES & BENEFITS:

**Teachers** – The Preliminary Budget did not include the Teacher Collective Agreement increases which resulted in understated budget costs of about \$300,000. This is offset by changes in staffing, some late hires of teachers and lower average teacher costs at the beginning of the year.

**Education Assistants** – The positive variance is mainly due to later hires as well as budgeted Emergency EAs who are hired later in the year.

**Support Staff** – The positive variance is mainly due to later hires and staff deployed to work on COVID-19 related activities.

**Other Professionals** – The unfavourable variance of \$23,000 was overlap of staff replacements and additional staff over the summer to assist with HR workload.

### SERVICES & SUPPLIES EXPENSES:

Services and Supplies have an overall positive variance of \$138,000 or 4.5% of budget. Highlights of the breakdown of this variance are explained below:

**Services** are lower than budget by \$55,000. This is largely due to the following:

- International Program spending on homestay coordination and recruiting services lower due to borders being closed to new students without student visas.
- Learning services have a number of 3<sup>rd</sup> party contracts which haven't been started yet with the late start of school and the different school format due to Covid.

**Student Transportation** is under budget from what was expected in the Spring as there is less need for contract bussing due to fewer school trips.

**Professional Development & Travel** is under budget by \$109,000. Part of this is due to limitations on international travel for recruiting students. More significant is that Professional Development delivery has moved online or been cancelled which has resulted in lower travel costs from what was originally budgeted.

**Dues & Fees** are lower by \$10,800 as the District sorts out how many students will be taking dual credit courses through UFV.

**Supplies** is over budget by \$41,000. The most significant item contributing to this is one time start up costs for the ADR Arts Cohort which are not captured in the Year to Date budget trending.

**Utilities** are tracking close to budget.

## BOARD OF EDUCATION

### INFORMATION REPORT

**DATE:** October 29, 2020  
**TO:** Board of Education  
**FROM:** Gerry Slykhuis, Secretary Treasurer  
**RE:** **DRINKING WATER**

---

In 2016, the Ministry of Education mandated lead testing in schools built before 1990. With guidance from the Fraser Health Authority, the Chilliwack School District completed this testing in 2016.

School Districts are now required to conduct lead testing in one-third of schools considered at-risk (built pre-1990) every year. In co-operation with Chilliwack School District staff, samples are collected and results are tested and reported by an accredited, independent laboratory. These results are also reported to the Ministry of Education.

School Districts are required to take steps to address lead levels above the allowable limit. If sample results exceed the maximum allowable concentration, the school district—in consultation with their Regional Health Authority—must commence daily flushing immediately, or deactivate and place a “Not in Use” sign on the water source.

Some school sites showed elevated traces in the testing. A flushing plan was developed and upon flushing these water source locations, all were re-tested and were within the maximum allowable concentrations.

The Chilliwack School District has taken action at each of the tested schools to ensure the drinking water for students and staff is only available from fountains and sinks with water quality meeting health standards.

The results of the latest testing are attached.

## BOARD OF EDUCATION

### BOARD REPORT

**DATE:** November 3, 2020  
**TO:** Board of Education  
**FROM:** Willow Reichelt, BCSTA Representative  
**RE: BC SCHOOL TRUSTEES' ASSOCIATION REPORT**

---

#### **BCSTA Report on Provincial Council, October 24, 2020**

##### **Notes on Reports:**

All of the reports will be in the minutes and available on the HUB. Here are some points of interest from the various reports:

##### President's Report

- COVID-19 surveys will apparently be sent out to all boards for feedback on how things are going. We should keep an eye out for this.
- The Framework for Enhancing Student Learning is now mandatory for all boards. Reporting on student achievement starts September 30, 2021 and then annually after that. Reports must include information on Indigenous students, diverse learning needs and children in care.

##### CEO Report

- Since the start of school, there have been 213 COVID-19 school exposures in BC; only 8 involved transmission at school.
- Only one outbreak (involved 11 students).
- Primary source of exposure to COVID-19 is the community, not the schools.

##### Professional Learning Committee

- Trustee Academy will be held virtually November 27 and 28.

##### Legislative Committee

- Recommendation to continue to have PC in October and AGM in April.
- Recommendation to allow people to attend remotely.
- Will be reviewing the BCSTA Policy Book (a large review has not been done since 2012).

##### Finances

- Currently many unknowns in the budget due to the pandemic. PC will approve the final budget in April.
- A member fee increase was approved this year, but as per policy, budget surpluses are used to offset this cost; as a result, the increase will not be collected this year.

- Boards can send feedback on the budget to [jolstead@bcsta.org](mailto:jolstead@bcsta.org); this could be an agenda item for a future SD33 COW meeting.

**Provincial Council Meeting Motions:**

*Results of votes are in parentheses after the motion title; amendments are highlighted in yellow.*

**9.1 Climate Change Working Group (PASSED)**

BE IT RESOLVED:

That BCSTA establish a Climate Change Working Group comprised of staff and trustees to: inform the BCSTA Board of Directors about the ability of school districts, under the provincial government's current capital funding programs (including the Carbon Neutral Capital Program (CNCP)), to meet the CleanBC goal for public buildings to reduce emissions by 50% by 2030; consider examples of schools that demonstrate low/no emissions; provide recommendations on how the 50% emissions reduction target could be achieved; and, assist BCSTA in collaborating with the relevant provincial ministries to create and implement a plan to achieve the 50% emissions reduction target.

**9.2 Video Options for Winter Meetings (PASSED)**

BE IT RESOLVED:

That BCSTA consider enabling meeting participants to attend meetings by video conference if meetings, such as Provincial Council, must be held from November to February.

**9.3 Safe Routes to Schools as part of the Provincial Active Transportation Strategy (PASSED)**

BE IT RESOLVED:

That BCSTA work with the Ministry of Education and Ministry of Transportation and Infrastructure on opportunities to include and improve Safe Routes to Schools recommendations as a part of the new provincial Active Transportation Strategy.

**9.4 Funding for Trades (PASSED)**

BE IT RESOLVED:

That BCSTA advocate for the Ministry of Education and the Ministry of Advanced Education to provide funding for all students under the age of 19 years who have graduated from secondary school to enable them to continue the trades program in which they were enrolled prior to graduation.

**9.5 Provincial Funding to Improve Access to Educational Programming in Correctional Facilities (PASSED)**

BE IT RESOLVED:

That BCSTA request that the Ministry of Education and Ministry of Public Safety and Solicitor General allocate special-purpose funding to school districts **that have correctional facilities in their districts** to provide year-round educational services in provincial correctional facilities based on the level of service required in each community.

**9.6 Additional Supports for Letter of Permission Teachers and Non-Certified Teachers Teaching On-Call (PASSED)**

BE IT RESOLVED:

That BCSTA advocate to the Ministry of Education for additional funding for districts to support teachers with Letters of Permission and non-certified teachers teaching on call by providing resources such as classroom management assistance, education assistants, and professional development.

**9.7 Timelier Response from Teacher Regulation Branch (PASSED)**

BE IT RESOLVED:

That BCSTA advocate to the Ministry of Education to ensure that credential reviews by the Teacher Regulation Branch (TRB) are completed on a timelier basis.

**9.8 Aligning School Construction with Enrollment Projection (PASSED)**

BE IT RESOLVED:

That BCSTA urge the Minister of Education and the Minister of Finance to request that capital funding for new schools and expansions be consistently provided on the basis of a five **ten** year projection for enrollment rather than on the current enrollment.

**10.1 An Enhanced Co-Governance Approach for the Recovery Stage of the COVID-19 Global Pandemic (PASSED)**

BE IT RESOLVED:

That BCSTA urge the Ministry of Education, in collaboration with BCSTA, to implement an enhanced co-governance approach which:

will strengthen communication and collaboration between the Ministry of Education, and boards of education; and,

will provide additional opportunities with manageable timelines for boards of education to contribute input during the recovery phase of the COVID-19 emergency management cycle.

**10.2 Action on Anti-Black Racism (PASSED)**

BE IT RESOLVED:

That BCSTA advocates that the Ministry of Education:

Investigate the root structural causes of anti-Black racism in the education system.

Develop and implement mandatory anti-racism education for staff and students alike.

Create a database to keep track of all incidents of racism in BC Schools against students and staff.

Take immediate action to incorporate Canadian Black history into the BC K-12 curriculum for the next school year. The revised curriculum would include contributions of Black Canadians and a recognition of the adverse effects of policies and racism on Black Canadians. The curriculum development process would involve fulsome and meaningful consultation with Black-led organizations.

**10.3 Public Sector Executive Wage Freeze (PASSED)**

BE IT RESOLVED:

That BCSTA advocate to the BC Public School Employers' Association, Public Sector Employers' Council and the Ministry of Finance to exempt the K-12 sector from the Public Sector Executive Compensation Freeze Policy.

**Emergent Motions:**

1. That the BCSTA support districts with a letter addressed to Honourable Carol James, Minister of Finance, to reverse the BC Public Sector Executive Compensation Wage Freeze Policy or minimize it to one year.

**(MOTION TO ADD TO AGENDA FAILED—REDUNDANT DUE TO 10.3)**

2. That the BCSTA requests the Government of BC to Work with the Minister of Finance and Minister of Education to provide sufficient targeted Capital Funds to all school districts for the expedited construction of (all-weather) covered outdoor play spaces and outdoor classrooms at all public schools in BC. Furthermore, that the BCSTA urge the Government of BC to work with all levels of local government to ensure full and inclusive community access for all children to use these facilities outside school hours. **(ADDED TO AGENDA, BUT FAILED)**
