***We are honoured to live, learn, work and play on the ancestral and unceded,
shared territory of the Ts'elxwéyeqw and Pilalt Tribes.***

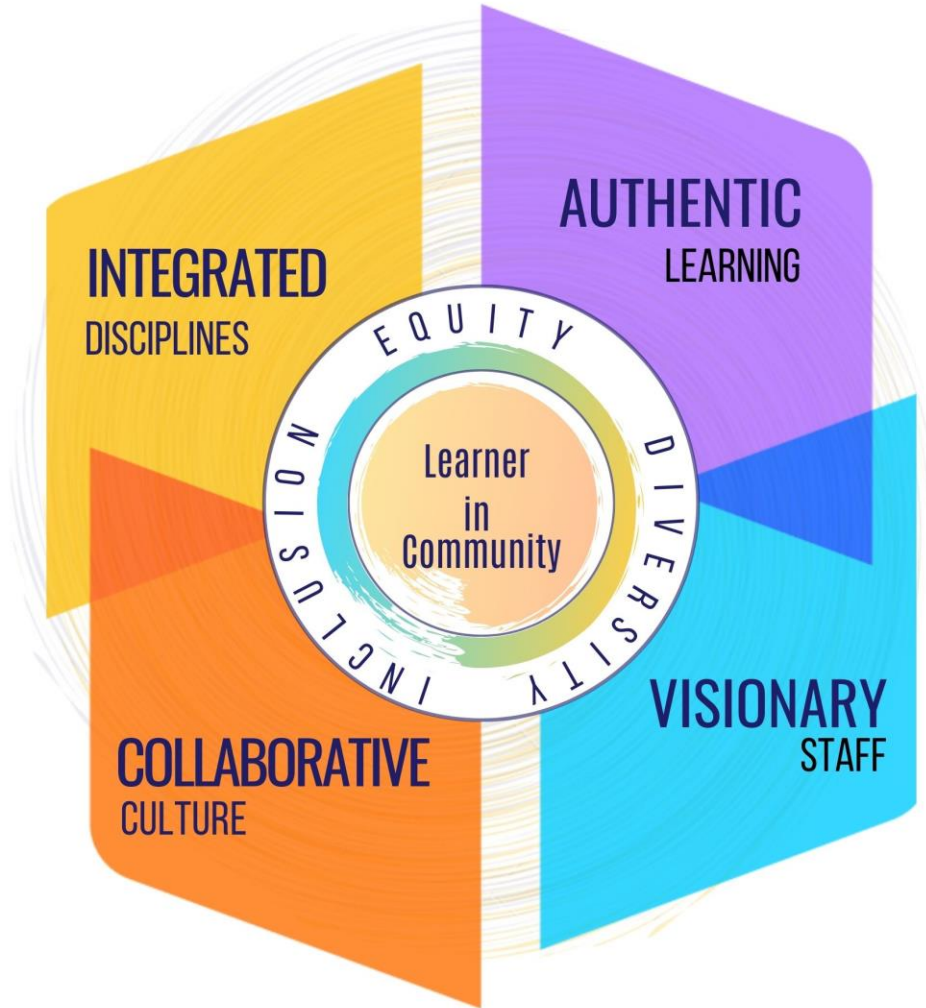

K-12 Integrated Arts & Technology in SD33

As of September 2021, Integrated Arts & Technology choice programming at three sites:

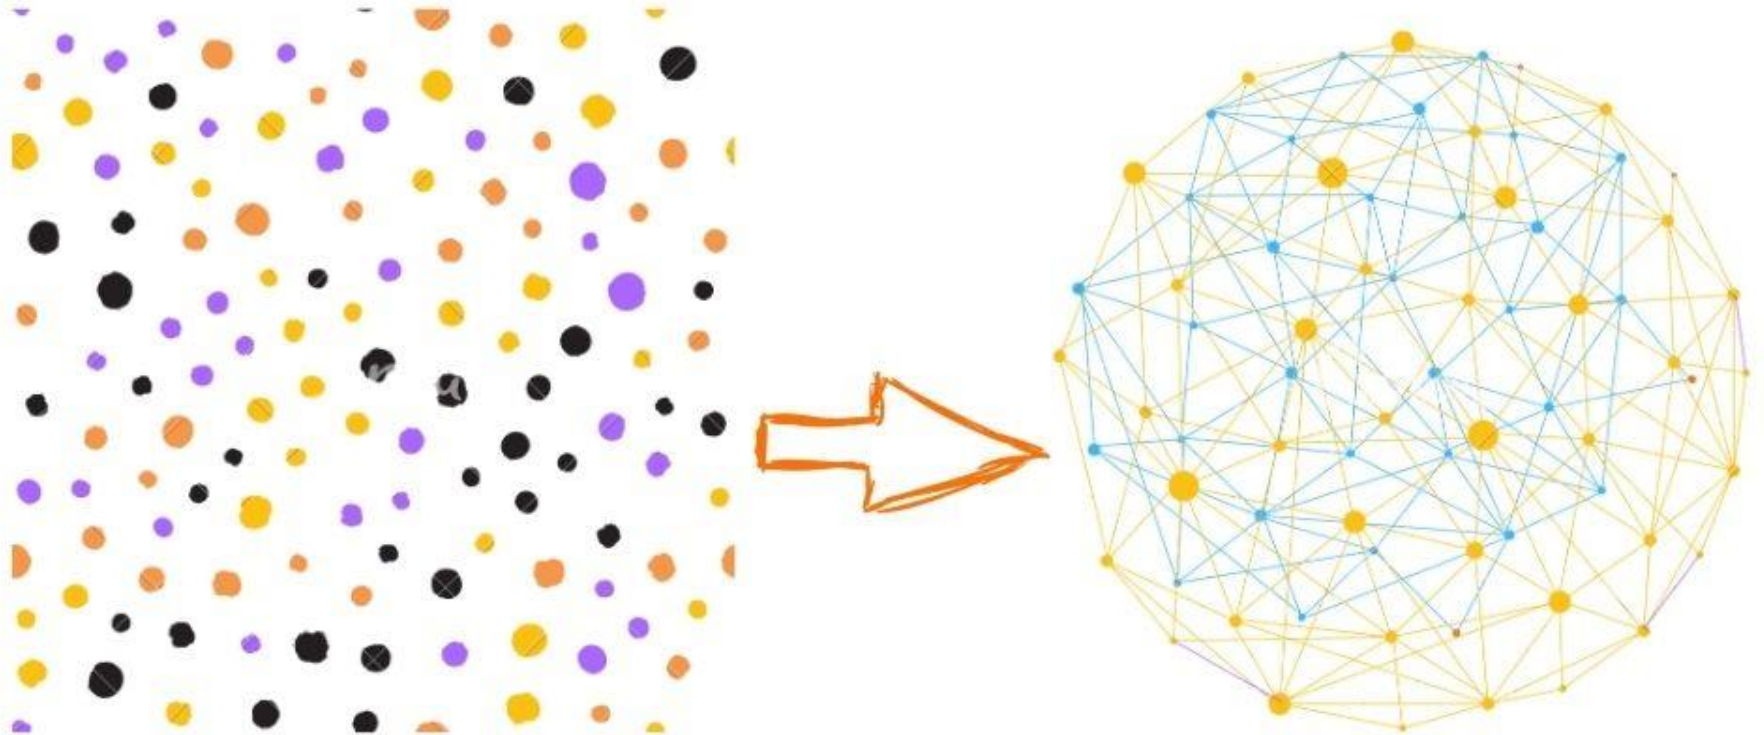

- ☐ FG Leary Elementary (K-5)
- ☐ AD Rundle Middle (6-8)
- ☐ Imagine High (9-12 by 2023/2024)

Integrated Arts & Technology Four Pillars

INTEGRATED DISCIPLINES

*From collecting to
connecting the dots*

AUTHENTIC LEARNING

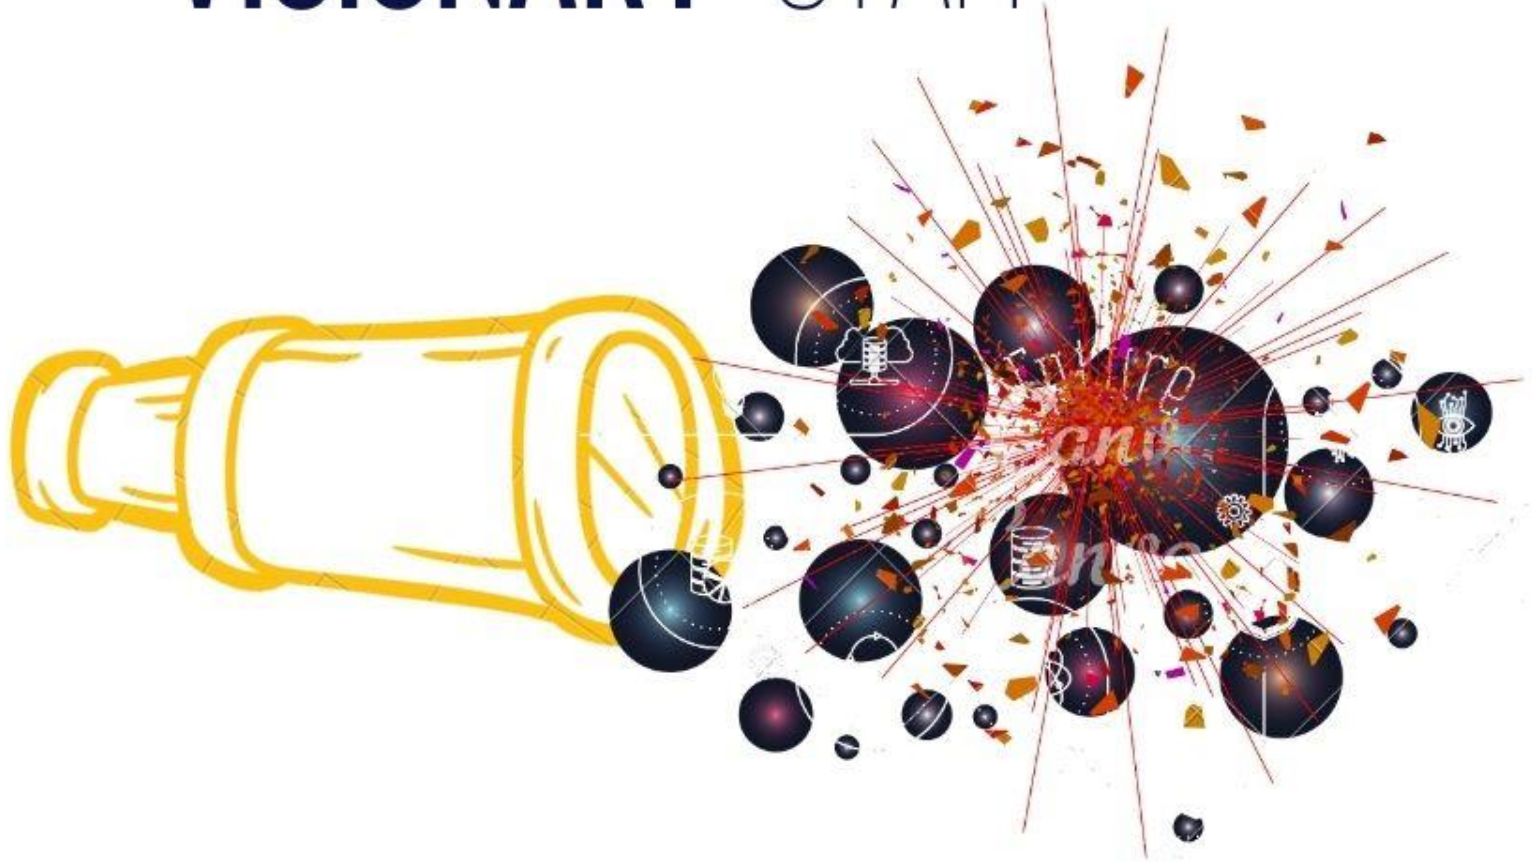

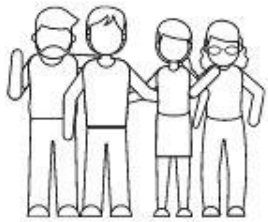

Engaging the *head, heart, and hands*
in work that *matters*.

COLLABORATIVE CULTURE

Teachers and students *co-create* learning experiences in *collaborative communities*

VISIONARY STAFF

Nurturing *innovation and risk-taking*
among both staff and students

Arts & Technology Integration

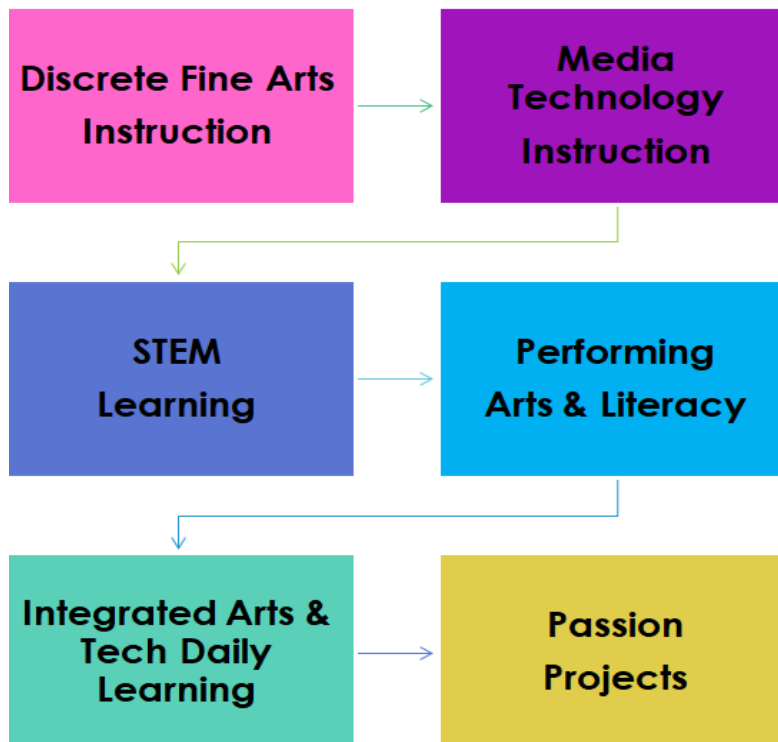

- A transdisciplinary approach that uses arts and technology to enhance learning experiences, engage students, and provide multiple pathways to demonstrate learning
- Connects to student interest and passions
- Builds competencies and skills
 - *Communication*
 - *Collaboration*
 - *Critical and Creative Thinking*
