

SD 33 Leadership Development

Educational Leadership

Educational leaders play an essential role in improving student achievement. The development of leadership skills is fundamental to ensure continuous improvement in our system. School District 33 is committed to providing professional learning opportunities to promote and develop effective leadership throughout our system.

● **Teacher Mentorship**

In partnership with the Chilliwack Teachers Association (CTA) and Chilliwack School District, experienced teachers are supported in developing their skills and leading new teachers in best practice.

● **Teacher Leadership**

Teachers are supported to explore leadership pathways and frameworks, and expand their professional networks.

● **PVP Coaching**

Formal coaching to support development of professional growth plans.

● **PVP Mentorship**

In partnership with the Chilliwack Principals and Vice Principals Association (CPVPA) and the Chilliwack School District, principals and vice principals form a reciprocal learning relationship that cultivates a network of coaching and support.

● **Vice Principal Leadership**

A district facilitated learning series targeting educational and transformational leadership competencies.

● **Vice Principal Learning Team (VPLT)**

A peer led network that is open to all vice principals, and is designed to support professional learning through a common focus determined by the group, such as a structured book study.

● **All Leaders Learning Series**

A formal series of learning opportunities touching on a different theme each month. View schedule [here](#).

● **Professional Growth Plans**

Using the BC Principals and Vice Principals Association (BCPVPA) Leadership Framework, our principals and vice principals maintain growth plans that reflect the school district's strategic plan, and their own professional goals.

“*Leaders developing other leaders is at the heart of sustainability.*”
