

POLICY 312 SUPERVISION OF STUDENTS

The Board expects all students to be supported by adult supervision at all times. The principal will ensure that the school code of conduct is regularly reviewed with students and parents/guardians/caregivers.

School personnel are expected to act as reasonable and prudent adults in providing for the safety of students, and conscientious supervision of students is mandatory at all times, including during all co-curricular and extra-curricular field trips.

Levels of supervision will take into consideration the number of children, the activity being supervised, the age of the students, the configuration of the area to be supervised and the enforcement of safety rules.

During school hours or while engaging in school sponsored activities, students will be released only with parent/guardian/caregiver permission.

Parents/Guardians/Caregivers will be advised of school sponsored activities occurring after regular school hours and will be informed that students will be dismissed from the activity in a manner similar to a regular dismissal.
