

# DISTRICT ATHLETICS

Chilliwack School District

## PHYSICAL LITERACY AND ATHLETICS

The Chilliwack School District is an **inclusive** community committed to fostering **belonging** and **opportunities** while **inspiring perseverance** and **passion** for lifelong learning through physical literacy and sport.

**MOVEMENT IS MEDICINE**

## District Athletics Gala

It was a celebration to be proud of! The Chilliwack Board of Education invited 250 volunteer coaches from both schools and the community to the 3rd Annual Athletics Gala this May.

It was the honour of the Board to recognize the hard work of these coaches as we recognize the countless volunteer hours that coaches provide to ensure that our students have access to sports programs at all levels, K - 12. Sport, mentorship, connection to schools, and feelings of value are just some of the reasons that Coaches dedicate so much time and energy to our students.

An additional celebration was around the installation of the District Vision for Physical Literacy and Athletics, into every school gym this school year!
