  - <https://www.agassizharrisonobserver.com/news/bike-bus-project-helps-chilliwack-kids-ride-to-school-safely-7544232>
- A lot of experience in the international biking world.
- Moved from the international stage to local advocacy when he had his daughter.
- Cycle Chilliwack has been very supportive of the bike bus.
- When Ricky first started the bike bus his intentions were to:
  - Have a bike bus route with a schedule.
  - Wanted a route that takes about 20 minutes and goes around the outer edge of the Garrison community.
  - Give kids lifelong memories.
- Last spring was the first time Bike Bus pedaled.
- When the bike bus is running Ricky sees up to 40 kids/day.
- This year it ran from Sept to thanksgiving weekend.
  - It gets cooler and too dark to keep going off then.
  - Will start up again after spring break.
- Last fall the bike bus tracked their mileage and over the course of the bike bus season and they came very close to hitting 500km.
  - This success awarded Watson Elementary a \$1000 active transportation grant.
- If there is interest in doing something similar at your school, please feel free to reach out to Ricky Federau at [valleybikeguides@gmail.com](mailto:valleybikeguides@gmail.com).
- You can also view the Garrison Bike Bus facebook group - [here](#).

**4. INFORMATION ITEMS**

**4.1. Chair Report**

- Tuesday we had a very productive All Partners Meeting where leaders from the CTA, CUPE, IEAC and DPAC participated in the Strategic Plan Refresh Conversation. It was a great evening to come together to listen, learn and advocate. Staff collected our feedback and have further consultations planned. More information can be found here: <https://www.sd33.bc.ca/strategic-plan-refresh-2024-2025>
- There will be a Strategic Plan Survey available for every parent's feedback expected in January.
- On November 21st DPAC hosted Sue Robbins, an advocate and writer, where she shared the nuts and bolts of advocating for her son in the school system. Recording is available and we are still figuring out how to best make it accessible. In the meantime, reach out to [dpac@sd33.bc.ca](mailto:dpac@sd33.bc.ca) if you would like to view it.
- Erin Enns has resigned as the BCCPAC Rep. We will be looking for a replacement. The replacement must be a DPAC Rep/Alt.
- We do not have a meeting next month.
- District likely won't pay for zoom license next year. DPAC will be transitioning to Teams in January.
- SafeTeen Violence Prevention workshop is scheduled for December 5th so please share and help us advertise!  
<https://www.facebook.com/events/8488432807950048>

**4.2. Trustee Report**

  - We are well into the process of conversations with the community regarding our strategic plan for the coming year. If you have yet to have a chance to give feedback please let me know and we can ensure you get your chance.
- Board Elections

  - At this point, we have not heard anything about Trustee Maah's intent to resign.

**SD33 DPAC GENERAL MEETING MINUTES**  
**for November 28<sup>th</sup>, 2024, at 7 pm**  
**HELD In Person at the School Board Office and on ZOOM**

---

- This year we are working with Dr. Dustin Louie, PhD, Associate Professor, Dept of Educational Studies, and Director of NITEP – Indigenous Teacher Education Program UBC.
- BCSTA Academy
  - Trustees attended the BCSTA Academy and gained valuable insights on disabilities and strategies to tackle bullying.
- Bargaining Update
  - Chilliwack, along with every other district, is entering local and provincial bargaining for educators and staff. If all goes smoothly, we should not notice any disruptions. However, we ask everyone to please give grace and patience to all involved during this period.
- Trans Day of Remembrance
  - On November 20th, the IDEA coordinator, Christina Billingham, hosted a panel discussion and film screening in recognition of Trans Day of Remembrance.
- ChildCareBC Website Update
  - The ChildCareBC website has been refreshed with a new look and feel to help families, childcare providers and partners, and early childhood professionals easily find the information they need, when they need it.
- The refreshed website improves the overall user experience by grouping information into six categories.

#### 4.3. Treasurer Report

- See APPENDIX I

#### 4.4. BCCPAC Report

- Conference this weekend.
- PACs, DPAC and then we have BCCPAC in terms of hierarchy.
- Fall/winter conference is a great conference. Often Minister of Education is there. DPAC Exec goes and brings back the information to DPAC and PACs.
- This year it will be online.
- Registration is closed, but you can get on a waitlist.
- To participate, your PAC must have registered with BCCPAC for the year.
- BCCPAC is also having elections. Any DPAC rep can be nominated. December 2, 2024, is the date to remember for this.

#### 4.5. Committee Highlights

- A new Free Food Program list has been published for Chilliwack (See APPENDIX II).
- Have you seen the [Chilliwack and Fraser East Food Asset Map](#) yet? The map identifies:
  - No cost or low cost meals
  - No cost or low cost groceries
  - Food education
  - Community food markets

**SD33 DPAC GENERAL MEETING MINUTES**  
**for November 28<sup>th</sup>, 2024, at 7 pm**  
**HELD In Person at the School Board Office and on ZOOM**

---

- Food programs
- Indigenous food programs
- Volunteers are needed for: drivers for Operation Red Nose and Bowls of Hope.
- SAGE Resource cards are ready.
- Middle years – Looks like they need another co-chair. DPAC is also always looking for a parent rep on this committee.
- ACIE:
  - A long discussion was had around the recent District decision to limit outside agencies from providing accessible therapy to students during the school day. This decision was to do with private agencies only, not partners. Work is being done to balance the District’s concerns with liability and the need for accessible therapies in our community. See Section 6.1 for more information.
  - Discussion was around the accessibility and barriers of how the District is planning to gather feedback for the Strat planning.

**5. OLD BUSINESS**

5.1. DPAC Logo

- Have a \$1000 budget.
- Have to determine if we need more money. Apply for grants?
- MOTION to strike a DPAC logo committee
  - Katie motions
  - Rachel seconds
- Committee volunteers/members: Carey, Karine, Kara, Deirdre, Gina

5.2. DPAC Advocacy Action Plan and Next Steps

- Hoping to have the anti-bullying letter ready to go by the time the minutes are sent out.
  - DPAC recognizes that the letter would be more impactful if PACs signed it.
  - PACs would like enough time to ensure the letter can be discussed with their membership.
  - PACs will relay letter feedback during the February general meeting.
  - Feedback is intended to speak to the general messaging of the letter.
  - Be kind when it comes to differences in stylistic preferences.

**6. NEW BUSINESS**

6.1. Outside Agencies in Schools

- District concerns: supervision of practice, liability and space.
- Liability concerns – what if student was injured while receiving therapy at school by the private therapist who isn’t a school district employee?
  - Rental agreements may relieve liability concerns?
- Schools are implementing the stoppage differently. Some schools have done a full stop, other schools have provided a timeframe for stopping.

**SD33 DPAC GENERAL MEETING MINUTES**  
**for November 28<sup>th</sup>, 2024, at 7 pm**  
**HELD In Person at the School Board Office and on ZOOM**

---

- Some schools may be able to continue the practice, but we don't know what the numbers look like in terms of those that will continue.
- District Principal of Student Services – Salvina Sharp – is leading this work. DPAC Chair is working with Salvina on creative solutions so that at least some schools can continue.

**6.2. Round Table - Emerging Concerns**

- DPAC has heard some concerns about seat size on new buses. Canvassed DPAC Reps – none have heard of this from parents.
- PAC Square readers concerns.
  - Square is suggesting that PACs become an organized charity for it to work. If this isn't done, then any transaction through the square is a sales transaction.
  - DPAC does not recommend that PACs pursue becoming a charity or society as this brings on other considerations and legislative authorities.
  - PACS might want to check out Zeffy.com as an alternative. It is FREE for non-profits.

**7. DATES OF UPCOMING MEETINGS**
