

Social Media Public Commenting Guidelines

Welcome to the Chilliwack School District's social channels! We use social media to provide information and connect with our school communities. We strive to share the latest news, photos, and videos from across our district.

We value the opportunity to engage with our school communities on social media and we ask that you follow our commenting guidelines.

The Chilliwack School District reserves the right to remove any comment that contains vulgar language, personal attacks of any kind, or that is deemed discriminatory, slanderous, or obscene. Comments should reflect the topic or subject of the post.

We do not allow:

- graphic, obscene, or explicit comments,
- comments that are abusive, hateful, or intended to defame anyone or any organization,
- advertising or solicitation,
- comments that suggest or encourage illegal activity,
- posts by anonymous or fake accounts,
- comments that provide misinformation or disinformation,
- content that violates any District policy.

We reserve the right to delete any post and may block individuals who do not follow these rules. We reserve the right to amend or modify the Social Media Public Commenting Guidelines at any time.

If you have a question or comment for the Board of Education, please email: board@sd33.bc.ca. For concerns about your child's school or educational program, contact their teacher or school principal (see [Policy 390](#)).

Our best source of information is the [district website](#). On our website, you'll find the school calendar, department contact information, policies and procedures, and information on Board of Education meetings.
