

# HOLIDAY EXHIBITION OF LEARNING

## Candy Cane Lane

### Leary Integrated Arts & Tech Elementary

This December, students in the grade 3/4 community, known as Óyewot (Eye-uh-watt) - Next tallest 'oldest daughter' at Leary Integrated Arts and Tech Elementary took a different approach to their holiday showcase. Students were able to choose what they wanted to showcase to family and guests. They chose passion areas such as drama and musical performances, and visual arts make and takes.

The students lit up in each of their chosen areas, confident because they had experienced voice and choice about their work and learning, and were proud to share with families and guests.

*"This is awesome!."*  
~ Student

*"Amazing that the children could choose what they wanted to showcase."*  
~ Parent
